POETRY

sea with a speaking breeze o and the burch loal and reef,

running tide or a beacon flash. and a sharper there to court

and dune and charted rock; "
indiand, gray in the mist;
dighter, tank or battered tramp
in a shirting cargo listo my turn on a coasting craft, do my jurn on a coasting craft,
With the friendly harbons nigh,
not take my chance in the besten track
Where the coast lights let me by
In our and swell, in gust and squal
In our and sleet and rain,
et me no back to watch and watch
Ou a coastwise ship again.
Furt Franklin Jenness, in the New
York Times.

TREES ALONG THE ROADWAY. ries along the roadway nucle the lard world of living beauty mirand to strand; frees that tell the story of the sky to every careless traveler passing in the story of human legions keeping.

With tousing trees, to glisten in the rain to skine in leafy coolness when the gun pours down spon the busy throngs that the route of toll or pleasure day by
